LETTER FROM PRESIDENT

Good evening,

Welcome to the 2022 Lone Star Regional Sports EMMY® Awards. Tonight, we honor the gold standard of regional sports coverage from across the State of Texas. And we do so again in the safest way possible. Several weeks ago, the Board of Governors made the difficult decision to present this year's show as a virtual presentation instead of the live in-person event we originally intended.

Like many of you, we were looking forward to our first in-person EMMY® event in a couple of years, but as we looked at a list of growing concerns, the decision was obvious. The Board felt it was in the best interest of you, our chapter's members, to present a virtual show again this year.

However, whether tonight is live or virtual, it is all about you; the individuals, the organizations and the teams that cover the teams. It is about those of you who produce, broadcast and stream the unique and exciting moments to the audience and fans. And with countless hours of effort and dedication to your craft, it is you who raise the bar to a high standard of excellence. That is what tonight is all about, recognizing and celebrating your excellence.

I want to thank the many individuals "behind the camera" who make tonight possible. First, the Lone Star Board of Governors, who continue to diligently donate their time to the Chapter through many on-going challenges. I want to thank the Chapter's Executive Committee, our Executive Director Terry Markis, our Director of Awards & Communications Shelly Rumley, and all of our committee members whose patient, tireless efforts keep the Chapter functioning every day despite what may come our way.

I want to thank the special guest presenters who took their personal time to record for us. I want to give a special thank you to our producer Linnea Lewis, and the entire production team who quickly pivoted to produce the show you see here tonight and keep it to the standards and guidelines set by the National Academy of Television Arts and Sciences.

In closing, whether we're together or apart, let's take tonight and celebrate! On behalf of the Lone Star Board of Governors, our staff and fellow Chapter members, we congratulate all of tonight's nominees and recipients alike. Best of luck and enjoy the show!

Roger Vertrees
President, Lone Star Chapter, NATAS

LETTER FROM AWARDS CHAIR

Welcome to the Lone Star Regional Sports EMMY® Awards!

The Lone Star Chapter Sports EMMYS® continue to grow despite the last few years of struggling with the COVID outbreak.

We were looking forward to gathering again in person this year, but the cases of Covid have ticked up a bit this summer with this latest strain.

The safety of our members and staff always comes first, so we made the difficult decision to keep our awards show virtual once.

I'd like to thank our ace crew at the home office: Terry Markis and Shelly Rumley. I'd also like to thank our Show Producer, Linnea Lewis and Chapter President, Roger Vertrees and a final thank you to our Board members who volunteer their time to help maintain and grow our great Chapter.

Congratulations to all of tonight's nominees for your continued efforts to excel and produce some amazing, compelling work!

Evelyn Castellano
Awards Chair
Lone Star EMMY Chapter

2022 LONE STAR EMMY® CHAPTER BOARD OF GOVERNORS

SPORTS SCHOLARSHIP

SCOTT MURRAY SPORTS BROADCAST SCHOLARSHIP

The Lone Star EMMY® Chapter proudly offers a Sports Broadcast Scholarship to high school and/or college/university pursuing a career in the television industry with a concentration in Sports Journalism.

This is a partnership with longtime Dallas/Fort Worth Sports Broadcaster, Scott Murray and The Lone Star EMMY® Chapter.

For three decades, Scott was the Sports Director/Anchor on the local NBC nightly news in both Dallas/Fort Worth and Washington, DC. In addition, he served as a television host of countless TV specials, radio host of several programs, master of ceremonies at thousands of live events and charity galas, as well as both keynote speaker and moderator at hundreds of corporate conferences and industrial conventions.

The 2022 Scott Murray Scholarship was awarded to Ashley Updike from San Antonio.

Ashley will be attending the University of Kansas and studying Sports Management and film.

GO JAYHAWKS!

ASHLEY UPDIKE

“Since I was a child, when asked the question, “What do you want to be when you grow up?” my answer has always been a sideline reporter for the NFL. I have taken broadcast journalism classes in high school and proven to myself that I am still very invested in following my dream. At the University of Kansas, I plan to study broadcast journalism with a concentration in sports media. The way I see it, success is chasing my dream no matter the circumstance, and pushing myself to find what it is I really love to do. Even if sideline reporting doesn’t end up being what I love most, I will find my place within the sports media business; whether it be in editing, directing, or other behind the scenes work. I also hope to earn a minor in sports management, and learn more about the behind the scenes business within sports industries.”
